

Scottish Canals

Community Empowerment (Scotland) Act 2015

Part 5 – Asset Transfer Requests

Section 95

1st Annual Report

(covering period from 23 January 2017 – 31st March 2018)

Scottish Canals confirms that in the above period it received no formal Asset Transfer Requests from Community Transfer Bodies in terms of Part 5 of the Community Empowerment (Scotland) Act 2015.

In terms of promoting awareness of the legislation Scottish Canals has published information on managing our assets on our website which sets out what we care for and our asset management strategy.

Our Regeneration and Development team have regular meetings and facilitate charrettes with local canalside community groups to promote its placemaking initiatives and business opportunities. We are in active discussions with several community interest groups to work collaboratively relating to the future use of assets.

Those seeking further information may make enquiries to our dedicated enquiries mailbox.
