

Looking for a winter mooring?

Why not try the Caledonian Canal

Spend the winter on the sheltered waters of the Caledonian Canal.

Our winter moorings are available at competitive rates, from just £12.48 per metre per month. Various locations, with a range of facilities, including shore power and wifi, for you and your boat.

And what's more, your licence is valid for all Scottish Canals for the duration of your winter mooring, so why not combine your mooring with a trip along the canal.

Terms & conditions

- Boat Safety Certificate is required for all boats moored on Scotland's Canals (BSC valid for 4 years), easily arranged locally
- Licence is only valid for the duration of your winter mooring
- Minimum contract is 3 months
- Winter operating hours will be in effect. Check with the Canal Office or visit www.scottishcanals.co.uk for exact dates and times, and notice of any closures
